ADVANCED SMALL ENGINE TUNE-UP

PART#	NET WT.	UPC	CASE QTY.
16-SET	11oz/311g	0-32167-50010-9	12
Dissipates Moisture and Inhibits Rust			

DESCRIPTION:

B'laster Small Engine Tune-Up is formulated to assist in the preventative maintenance of all two and four-cycle combustion engines. It dissipates moisture and inhibits rust and frees rings and valves, restoring compression, power and vacuum.

B'LAST ON:

Lawn Mowers, Leaf Blowers, Chain Saws, Snow Blowers, Edgers/Trimmers, Tractors, Compressors, Welders, Pumps, ATVs, Motorcycles, Jet Skis, Marine Outboard Engines, Generators

DIRECTIONS FOR USE:

Shake the can well before using. Remove spark plug, spray for 5-10 sec into plug hole. Reinstall spark plug & turn engine over, DO NOT start engine. Let stand for 15 min & start engine. Deposits will be emulsified & removed with exhaust. It is suggested that the can be at room temperature when dispensing.

SAFETY:

DANGER! FLAMMABLE: Contains petroleum distillate. Do not puncture or incinerate container. Keep away from open flame. Do not store or expose to temperatures above 120°F.

Exposure Symptoms:

Inhalation: Harmful if inhaled. May cause respiratory tract irritation.
Skin Contact: May cause skin irritation. Symptoms may include redness, drying, defatting and cracking of the skin.

Ingestion: May be fatal if swallowed and enters airways. This product may be aspirated into the lungs and cause chemical pneumonitis. May cause stomach distress, nausea or vomiting.

TYPICAL PROPERTIES:

Flash Point: 75°F (24°C)

Density (20°C): 7.1 lbs/gal

Specific Gravity (20°C): 0.8

Boiling Point: 132.8°F (56°C)

Product Category:

Carburetor or Fuel Injection Air Intake Cleaner

Body Shop Safe: N/A

Base Type: Petroleum

Appearance: Red

Spray Pattern: Pin Point

Odor: Moderate Aliphatic

Temperature Range: 0 to 120°F

VOC: < 10%

Clean-Procedures: Spills can be removed with warm water and dish washing detergent.

UPDATED: 5/10/2021
